# **USBC FOND DU LAC WI BOWLING ASSOCIATION**

## **ALL-STAR TEAM CRITERIA**

Since the USBC mandated the merger of the FBA Women's, Men's, and Youth bowling associations, the newly merged Fond du Lac Bowling Association will use all women's and men's scores to calculate regular and composite averages to determine the Fond du Lac Bowling Association All-Star Teams.

All women's, men's, and mixed league averages, of 60 games or more, will be used to determine high averages and high composite averages for bowlers to achieve the all-star teams and top bowlers list.

A bowler can only be named to one All-Star Team per year. If a bowler qualifies for more than one team, the bowler will be awarded the highest level of achievement.

### **All-Star Team Achievement Levels**

Association All-Star Team  
Women's All-Star Team  
Women's Senior & Men's Senior All-Star Teams  
Association 2nd Team All-Stars  
Women's 2nd Team All-Stars

### **All-Star Teams consist of the following**

**NOTE:** A bowler needs 60 games or more in at least one league in the Fond du Lac Bowling Association to qualify for the All-Star Team. All averages of 60 games or more are used to calculate a composite average. The FBA assigns points to top bowlers in descending order starting at 30 points. Bowlers are awarded a 5 point bonus for a composite average achieved in more than one house. Since the 2018 merger of the women's and men's bowling associations, this All-Star Team includes both women and men. Points are awarded for tournament wins in singles events and all-events only, not for doubles events and team events.

**HONOR SCORE TOTALS BY YEAR**

The following information is a total, by year, of all sanctioned honor scores bowled in the Fond du Lac Bowling Association through the end of the 2022-23 season. Occasionally, an honor score was **not** submitted to the association secretary, therefore, credit for it cannot be given and it is not included in this list. All scores from the start of the 1981-82 season through the present are obtained from official USBC records. All scores prior to the 1981-82 season were compiled from local Fond du Lac Bowling Association records. The list includes all honor scores for **both men and women**.

## **Schaefer's Bowling Lanes (Oakfield - Northwest Corner of Main St. & White St.)**

In the 1930's, the Masonic Oddfellows Lodge decide to construct a bowling alley in Fraternity Hall. The basement was dug out by hand with the help of horses and two alleys were carved into the newly dug basement and opened for lodge member use only. With the lanes being so popular, two more lanes were erected and then opened to the public in 1939. George Kellar, Harlan Bennett, & Matt Lieberg were some of the earlier managers. The lanes hired many Oakfield teenagers to set pins for 3 cents a line. Cliff Hobbs ran the lanes after Mr. Lieberg. Shortly after World War II, the Masonic Lodge sold the lanes to private ownership. Carl Ick ran the business until 1952 when it was sold to Lawrence Schafer. Oakfield Lanes were upgraded with semi-automatics pinsetting machines but still required teenager assistants.

"I used to earn \$3 to \$6 per night setting pins at Schafer's Lanes below the Post Office. The semi-automatic machines still needed someone to pick up the pins and set them in the racks, then pull a cord so the machines would set them down on the alley. It was good exercise but you came home smelling like cigarette smoke because the fans were located behind us and pulled all the smoke back there. If the fans were off, you could have choked to death in those alleys." Tom Kottke

The Shafer Family operated the bowling alley until April, 1975 when they closed the lanes ending 40 years of entertainment for Oakfield residents.

## HISTORICAL BOWLING DATA

*Middle Ages thru the 1920's: During the Middle Ages stones were used for kegeling. Many years later, wooden bowling balls became the favorite. People soon realized that wooden balls were easy to tamper with and began cutting them in half, hollowing out the center of the ball on one side and filling it with a metal substance to make one side heavier or using a heavier wood on one side than on the other. In 1905, the ABC set a limit of 16 pounds for balls. Also that year, a company in Massachusetts developed a composition more durable to replace the wooden ball. It was named Ebonite. In 1906, another rubber company introduced a ball called the Ace Evertrue. Also in 1906, Brunswick opened a plant in Muskegon, MI and developed a rubber compound that was used to make the Mineralite ball. Brunswick promoted the Mineralite worldwide and these balls dominated the bowling game for over 40 years.*

*Sept. 9, 1895, the ABC was organized in New York City.*

*In 1914, the ABC realized a perfectly balanced ball was impossible and established the standards of no more than a 3 oz. variance from top to bottom and 1 oz. from the finger to the thumb hole.*

*In 1916, the WIBC was formed in St. Louis, MO.*

*In 1930, the three finger grip became popular replacing the two finger grip.*

*In 1948, Connie Schwoegler of Madison, WI invented the fingertip grip.*

*In 1958, Polyester bowling balls were introduced by Columbia.*

*September 1972, a new ABC headquarters building opened in Greendale, WI*

*In 1981, AMF introduced the first urethane bowling ball called the Black Angle.*

*In 1991, Nu-Line introduced the first resin ball called the Excalibur.*

*October 21, 1993, the ABC voted to allow women to bowl in the ABC National Tournament and the 1994 ABC Tournament in Mobile, AL was the first time women bowled with the men.*

*December 30, 2004, the ABC and WIBC merged in to the USBC. This merger was initially envisioned by ABC president Darold Dobs in 1995.*

*Milwaukee was among 25 cities that bid for the original construction of the Bowling Museum and Hall of Fame. This list was later narrowed to eight cities, Milwaukee, WI; Detroit, MI; Oklahoma City, OK; St. Louis, MO; Springfield, IL; Akron, Cincinnati, and Toledo, OH; St. Louis was selected because of its proximity to major tourist attractions such as the Gateway Arch, Six Flags, Busch Stadium, etc. Years later, a new USBC headquarters, bowling museum, Hall of Fame, and training center was built in Arlington, TX. where it remains to this day.*
