ALL-STAR TEAM CRITERIA

Since the USBC mandated the merger of the FBA Women's, Men's, and Youth bowling associations, the newly merged Fond du Lac Bowling Association will use all women's and men's scores to calculate regular and composite averages to determine the Fond du Lac Bowling Association All-Star Teams.

All women's, men's, and mixed league averages, of 60 games or more, will be used to determine high averages and high composite averages for bowlers to achieve the all-star teams and top bowlers list.

A bowler can only be named to one All-Star Team per year. If a bowler qualifies for more than one team, the bowler will be awarded the highest level of achievement.

All-Star Team Achievement Levels

Association All-Star Team
Women's All-Star Team
Women's Senior & Men's Senior All-Star Teams
Association 2nd Team All-Stars
Women's 2nd Team All-Stars

All-Star Teams consist of the following

Association All-Star Team - made up of the Top 5 women and men bowlers based on the point system detailed on the 2nd page of this document.

Women's All-Star Team - made up of the Top 5 women bowlers based on their highest average bowled in any FBA women's, men's, or mixed league.

Women's Senior All-Star Team & Men's Senior All-Star Team - a women's senior team and a men's senior team will be selected independently of each other based on his or her highest average in each of the respective age brackets as listed below.

Senior Women's & Senior Men's Teams Age Brackets

Age 55 to 59
Age 60 to 64
Age 65 to 69
Age 70 to 74
Age 75 & up

Senior women and men bowlers must reach the qualifying age as listed above in their respective age bracket by May 1st of the current bowling year.

Association 2nd Team All-Stars - is made up of the women and men bowlers in the 6th through 10th highest positions based on the point system detailed on the 2nd page of this document.

Women's 2nd Team All-Stars - is made up of the women bowlers in the 6th through 10th highest positions based on all averages of 60 games or more, bowled in any FBA women's, men's, or mixed leagues.

USBC FOND DU LAC WI BOWLING ASSOCIATION

ALL-STAR TEAMS POINT SYSTEM

High Averages

The FBA selects the Top 30 averages and assigns points to those averages in descending order. All averages must be of 60 games or more and bowled in an FBA league. The FBA will use the highest average achieved for bowlers with multiple averages.

1st highest average	=	30 points
2nd highest average	=	29 points
3rd highest average	=	28 points...etc

High Composite Averages

The FBA selects the Top 30 composite averages and assigns points to those averages in descending order. All averages must be of 60 games or more and bowled in an FBA league. The FBA will award an additional 5 bonus points to any bowler who has a composite average achieved in more than one house.

1st highest composite average	=	30 points
2nd highest composite average	=	29 points
3rd highest composite average	=	28 points...etc

Honor Score Points Awarded

900 Series	=	20 Points each
800 Series	=	8 Points each
300 Game	=	4 Points each

Bowlers do receive points for honor scores bowled in non-association tournaments, however, bowlers must provide verification of these scores to the assoc. manager to receive points.

Note : The USBC no longer gives awards for 11-in-a-row scores, therefore, the FBA no longer awards points for these scores.

FBA Tournament Points Awarded

Each entry in an FBA tournament	=	1 point each
Each win in a Singles Event	=	5 points each
Each win in All-Events	=	5 points each

Note : Wins achieved in doubles events and team events do not earn points because they are achieved by a team, not by an individual bowler.

All scores must be USBC sanctioned and bowled between May 1st and April 30th of the qualifying year.

NOTE: A bowler needs 60 or more games in one league in the Fond du lac Bowling Association to qualify for the All-Star Team. All averages of 60 or more games are used to calculate a composite average. The FBA assigns points to top bowlers in descending order starting at 30 points. Bowlers are awarded a 5 point bonus for a composite average achieved in more than one house. Since the 2018 merger of the women's and men's bowling associations, this All-Star Team includes both women and men. Points are awarded for tournament wins in singles and all events only.

Mitzelfeldt, Armin Kantin, Louie Hinn and Art and Mennette (Minnie) Weis. In its early years, it was known as the Alhambra Recreation Parlor. Through the years, various businesses were located on the first floor below the lanes. Some of them were Pagel Electric, K & S Body Shop, OK Rubber Welders, Reuben Kinkel Auto Service, John E. Smith & Russell C. Plummer Used Cars, Olson's Auto Service, and Automotive Sales & Service & Machine Shop.

Arcade Lanes / Alpine Bowl (65 N. Main St.)

The Arcade Lanes building was a gymnasium prior to the installation of 10 lanes in the 1920's. Arcade Lanes was originally owned / operated by Rudolph & Herman Sanders, then by William ? and later by Oscar Hemmann & Gary Kirchoff before Frank Hilbert who owned it until its closing. In about 1948, 8 lanes were added in the basement of the building. Before becoming proprietor, Tom Hilbert remembers being a pinboy at Arcade when he was 8 years old. A game room was added on in 1991 and it was the first lanes in Fond du Lac to go hi-tech with "glow-in-the-dark" special effects in 1996. In the summer of 2000, automatic computer scoring was installed. In January, 2005 Carla Morgan assumed ownership and changed the name to Morgan's West Side Lanes. In 2008, Lyle Huss purchased the lanes and changed the name to Last Stop Lanes & Bar. Some remodeling included the bar room being rearranged. A fire destroyed the building completely March 3, 2010. Elks Club No. 57 Lanes (33 Sheboygan St.)

The Elks was the oldest "active" lanes in the U.S. The club was built in 1906 and the lanes were installed shortly after that. On November 17, 1909 the ABC sanctioned the lanes, thus beginning an important part of bowling history. In a Fond du Lac Reporter news article dated January 29, 1989, sports writer Bill Draves reports that Henry Marian, then manager of the Elks Club, rolled a sanctioned 800 series as long ago as the 1930's. In 1960, automatic pinsetters were installed and then in 1982 the lanes were modernized. In 1983, synthetic lane surfaces were installed. The Elks Club was closed & their charter was suspended in October, 2015 due to financial problems and low membership numbers. Grand Lodge reinstated their charter in March, 2016 but took control of the building and put it up for sale. The local lodge was allowed to re-open at a new location if an economically feasible location was found. Unfortunately, this never happened.

Dave "Herbie" and Sandy Brenner took over the lanes 1969 and installed automatic pinsetters. Then in 1976, they remodeled and the number of lanes increased from four to six. In 2009, the name was changed to Generations Bowl and is operated by Brenner's son Jeremy. Automatic scoring was installed in about 2013.

Schaefer's Bowling Lanes (Oakfield - Northwest Corner of Main St. & White St.)

In the 1930's, the Masonic Oddfellows Lodge decide to construct a bowling alley in Fraternity Hall. The basement was dug out by hand with the help of horses and two alleys were carved into the newly dug basement and opened for lodge member use only. With the lanes being so popular, two more lanes were erected and then opened to the public in 1939. George Kellar, Harlan Bennett, & Matt Lieberg were some of the earlier managers. The lanes hired many Oakfield teenagers to set pins for 3 cents a line. Cliff Hobbs ran the lanes after Mr. Lieberg. Shortly after World War II, the Masonic Lodge sold the lanes to private ownership. Carl Ick ran the business until 1952 when it was sold to Lawrence Schafer. Oakfield Lanes were upgraded with semi-automatics pinsetting machines but still required teenager assistants.

"I used to earn \$3 to \$6 per night setting pins at Schafer's Lanes below the Post Office. The semi-automatic machines still needed someone to pick up the pins and set them in the racks, then pull a cord so the machines would set them down on the alley. It was good exercise but you came home smelling like cigarette smoke because the fans were located behind us and pulled all the smoke back there. If the fans were off, you could have choked to death in those alleys." Tom Kottke

The Shafer Family operated the bowling alley until April, 1975 when they closed the lanes ending 40 years of entertainment for Oakfield residents.
